

Dear Anglers and Families,

I have just got off the phone to Linda who runs Zavora Lodge. She has offered us a prize valued at R20,000-----it is for 9 days and 8 nights in a 8 sleeper unit.

What a fantastic prize for two families to win. Look up their web site at <https://www.accommodationmozambique.co.za/inhambane/zavora/zavora-lodge/>

This brings me to my next point---you got to be in it to win it. When I last reported we were marginally behind the amount of entries this time last year.

Well this has changed and we are now ahead-----no doubt the extra tickets in the Lucky Draw division got you excited.

Just remember this offer closes on the 28<sup>th</sup> but as you know we are good guys, so we will extend this to Sunday. This means you will have 4 tickets a head for those that are paid up.

As a reminder these 4 tickets carry you through in the lucky draws leading up to the festival and over the festival weekend. It is a no-brainer. And remember there were a number of multiple winners last year because they had the numbers in the lucky draw!

Just remember next weekend, the 8<sup>th</sup> Alan is organising our first Monthly Mug event sponsored by CMH and also Marshalls World of Sport-----besides Alan's prizes the Lucky draw offerings will be impressive-----remember these words: THREE FOUR AND THERE IS MORE.

Guys and Girls, in a nutshell we want this to be the best festival ever, so lets get on board now, and show our commitment. Your Conveners are in a very generous mood-----keep us fired up by showing your support!

Have just received a confirmed report that there are shoals of cuda at the border getting there passports stamped-----apparently they are really looking forward to testing your skills over the 25<sup>th</sup> and 26<sup>th</sup> April. Don't disappoint them. Get to the Kingfisher now and make sure you show them the sharpest of hooks!

Tight lines

Hilton, Adrian and Alan----your Conveners
